Our Goal

The mission of Workforce Solutions is to increase employment opportunities for individuals with disabilities. Through education, outreach, and advocacy we aim to foster effective collaboration between all community stakeholders to strengthen the capacity, capability and diversity of Hawaii Island's workforce.

As agencies and businesses that train, hire and support employees with a multitude of skills, we are working together to establish an environment where people with special needs achieve their highest potential by engaging in gainful employment and earning a paycheck.

What We Offer

- Consultation and Referral
- Awareness and Sensitivity Training
- Programs and Benefits Information
- Network Collaboration
- Workforce Development Resources
- East and West Hawaii Support Meetings
- Employer Promotions
- Business and Agency Descriptions and Contacts
